Dear Mr. Mario Gonzalez,

I would like to take this opportunity to thank you for participating with the Quality of Life Program as a collaborator. The in-kind assistance you have provided to the program over the years is truly valued. As a result of the commitment from agencies like yours, we were able to secure a 5 year 21<sup>st</sup> Century Community Learning Centers grant worth \$535,00each year. We are entering into year 3 and we are required each year to submit a continuation grant indicating our plan to continue providing premium services to our students.

Gratefully submitted,

***Terrence L. Love***
